

Weirdo

The Vaccines

You know I'm fucking moody and I know I'm quite unkind, I know
I'm kind of
Distant but you're always on my mind.

You imply that I am apathetic, right to the bone.

And I don't want to let it go, you know I'm not a weirdo no. I
don't want
To let it go, you know I'm not a weirdo

I guess I'm quite controlling, and I'm insecure, and I know you
'd like it
Better if I opened up some more. But I don't even know if I cou
ld look you
Straight in the eye.

And I don't want to let it go, you know I'm not a weirdo no. I
don't want
To let it go, you know I'm not a weirdo

Oh oh

I don't want to let it go, you know I'm not a weirdo.

Ahh
Ahh
Ahh

I know that I'm neurotic, and I'm hard to please, and I'm disob
liging and
Faulty by design.

Not withstanding nothing we could work out, work out just fine.

And I don't want to let it go, you know I'm not a weirdo no. I
don't want
To let it go, you know I'm not a weirdo

Ahh
Ahh
Ahh

I don't want to let it go, you know I'm not a weirdo no. I don'
t want to
Let it go, you know I'm not a weirdo oh

I don't want to let it go, you know I'm not a weirdo.
