

Wetsuit

The Vaccines

1. If at some point we all succumb
For goodness sake let us be young
Because time gets harder to outrun
And I'm nobody, I'm not done
With a cool cool breeze and dirty knees
I rest on childhood memories
We all got old at breakneck speed
Slow it down, go easy on me

X: Go easy on me
Aaah aaah ah-ah aaah
aaah aaah ah-ah ah,
ah-ah aahh

R: Put a wetsuit on, come on, come on
Grow your hair out long, come on, come on
Put a t-shirt on
Do me wrong, do me wrong, do me wrong

2. If it's up and after you
What do you suppose that you would do?
You're all whacked out from lack of sleep
You blame it on the friends you keep
You want to do things differently
And do them independently
We all got old at breakneck speed
Slow it down, go easy on me

X: Go easy on me...

R: Put a wetsuit on, come on, come on... (2x)

*: Does holy water make you pure?
Submerged your vision's just obscured
You're a lot like me
In up to our knees
In over your chest is way too deep

R: Put a wetsuit on, come on, come on... (2x)
