

## Wolf Pack

## The Vaccines

1. You've seen the world  
What did it look like?  
You took a plane  
I'll take a push bike  
Run with the wolves calling all the wolf pack  
When did you go and when did you get back?

R: I--- don't even know you  
You're just someone new I don't want to talk to  
You're wild, I don't find you crazy at all

2. You're on the rocks  
Would you like to get some?  
I'm kind of straight  
Where do you come from?  
I'm always right but what's your perception?  
I'm kind of shy oh, didn't he mention?

R: I--- don't even know you...

D D G A (8x)

R: I--- don't even know you...

I--- don't even know you  
You're just someone new I don't want to talk to  
You're wild, I don't find you crazy at all
