

# Can We Dance

The Vamps

I talk a lot of shit when I'm drinking, baby  
I'm known to go a little too fast  
Don't mind all my friends, I know they're all crazy  
But they're the only friends that I have  
I know I don't know you  
But I'd like to skip the small talk and romance, girl  
That's all I have to say so, baby, can we dance

Here we go again, another drink I'm caving in  
Stupid words keep falling from my mouth  
You know that I mean well  
My hands were meant for somewhere else  
Your eyes are doing naughty butterflies

Oh, oh, one more drink and I should go  
Oh, oh, but maybe she might like me though  
Oh, oh, I just can't think of what to say  
Should I go, should I stay?  
Just can't let her slip away

I talk a lot of shit when I'm drinking, baby  
I'm known to go a little too fast  
Don't mind all my friends, I know they're all crazy  
But they're the only friends that I have  
I know I don't know you  
But I'd like to skip the small talk and romance, girl  
That's all I have to say so, baby, can we dance?

I was nearly in, but then came the pushy friend  
Killed the vibe and took my perfect ten, away  
You know I need you, girl  
My heart's not made for someone else  
So save me here 'cause I can barely stand

Oh, oh, one more drink and I should go  
Oh, oh, but maybe she might like me though  
Oh, oh, I can't take this any more  
Should I stay? Should I go  
It just can lead back to her door

I talk a lot of shit when I'm drinking, baby  
I'm known to go a little too fast  
Don't mind all my friends, I know they're all crazy  
But they're the only friends that I have  
I know I don't know you  
But I'd like to skip the small talk and romance, girl  
That's all I have to say so, baby, can we dance

I've been a bad, bad boy  
Whispering rude things in her ear  
Please say she'll break  
Please say she'll change  
Her mind and bring me back to her place

I talk a lot of shit when I'm drinking, baby  
I'm known to go a little too fast (a little too fast)  
Don't mind all my friends, I know they're all crazy

But they're the only friends that I have  
I know I don't know you  
But I'd like to skip the small talk and romance, girl  
That's all I have to say so, baby, can we dance?
