

Girls on TV

The Vamps

Dear diary, want to make a new entry
Oh, you wouldn't believe me, what began today
Well she called me, oh that girl from the party
And I thought she should be on TV when I first saw her face

She said "alright, what are you doing 'til daylight?"
So I chanced it, I said "dancing with you"

R: She got legs like Beyonce
Give me the eye like Rihanna
I wanna put her on camera
'Cause she drives me crazy, crazy, crazy
Don't need no gameshow
Or a Hollywood movie, pop video
'Cause as long as she's next to me
I got all the girls on TV
I got all the girls on TV
I got all the girls on TV

Dear diary, we finished dinner early
And the way that she kissed me sent us on our way
And she danced like a professional all night
And the stars were her spotlight, the city became her stage

And I said "So, can I buy a ticket to your show?"
She said "Front row if I go home with you!"

R:

Like a star on the silver screen
Oh, I'm punching above my weight
We're from different sides of the street
And I know, I know, I know
Still a little mysterious
Why's she taking me seriously?

Dear diary, want to make a new entry
Oh you wouldn't believe me, what began today

R:

Oh na na na na
Oh na na na na
Oh na na na na
Oh na na na na
And I know, I know, I know
Still a little mysterious
Why's she taking me seriously?
Oh na na na na

I got all the girls on TV!
