

# Held By Me

The Vamps

When it's late and you're frightened  
Through the thunder and lightning  
Remember I'm thinking too  
When you're scared baby phone in  
Cause I am here for them moments  
Remember I'm thinking too

When both of us seem sitting up sharing this feeling  
You should be held by me  
Can't stop feeling why you're not here with me sleeping  
You should be held by me  
We're separating for the night  
And I keep looking over at the time  
Dreaming myself to sleep  
Pretending you're next to me

Every time that you worry  
Every time that you're hurting  
Remember I'm thinking too

When both of us seem sitting up sharing this feeling  
You should be held by me  
Can't stop feeling why you're not here with me sleeping  
You should be held by me  
We're separating for the night  
And I keep looking over at the time  
Dreaming myself to sleep  
Pretending you're next to me  
Yeah baby, there's a place for us  
When nothing could ever amount to  
Dreaming myself to sleep  
Pretending you're next to me, yeah

We're separating for the night  
And I keep looking over at the time  
Dreaming myself to sleep  
Pretending you're next to me  
Yeah baby, there's a place for us  
When nothing could ever amount to  
Dreaming myself to sleep  
Pretending you're next to me
