

# It's a Lie

The Vamps

Wooh!

Oh, oh oh oh, ooh yeah yeah yeah

A man had never been so good with words that come from my brain through my fingers

And onto the screens

Seems like a good idea to me

'Cause girl, I'm sure that all you want to know is that our song's playing on the radio at quarter past three

Seems like a good idea to me

And you call, so I answer

And you're mad, but there's laughter

Could we live, ever after?

Seems like a good idea to me

Ooh na na na

Don't tell me you don't want me

'Cause I know it's a lie, lie, lie, lie

Go tell all of your girlfriends that I was just a waste of time

You know you kinda like it, every time I catch your eye

Don't tell me you don't want me

'Cause I know it's a lie, lie, lie, lie

Oh

Boy, I can't keep holding on to this

And I don't plan on falling for your tricks

But before you go, it's only right I let you know

I heard our song playing out loud tonight

I run by the foot by the wayside

By quarter past three

It seemed like a good idea to me

And you call, so I answer

And you're mad, but there's laughter

Could we live, ever after?

Seems like a good idea to me

Ooh na na na

Don't tell me you don't want me

'Cause I know it's a lie, lie, lie, lie

Go tell all of your girlfriends that I was just a waste of time

You know you kinda like it, every time I catch your eye

Don't tell me you don't want me

'Cause I know it's a lie, lie, lie, lie

Lie, lie, lie, lie

Lie, lie, lie, lie

Lie, lie, lie, lie

You're mine, all mine, all mine

From morning 'til the night

So why'd you even try?

'Cause I know it's a lie

You're mine, all mine, all mine

From morning 'til the night

So why'd you even try?

Oh oh

Ooh na na na  
Don't tell me you don't want me  
'Cause I know it's a lie, lie, lie, lie  
Go tell all of your girlfriends that I was just a waste of time  
You know you kinda like it, every time I catch your eye  
Don't tell me you don't want me  
'Cause I know it's a lie, lie, lie, lie

You're mine, all mine, all mine  
From morning 'til the night (lie, lie, lie, lie)  
So why'd you even try?  
'Cause I know it's a lie (lie, lie, lie, lie)  
You're mine, all mine, all mine  
From morning 'til the night (lie, lie, lie, lie)  
So why'd you even try?  
'Cause I know it's a lie
