

Lovestruck

The Vamps

Excuse me Miss,
I don't ever do this
Must admit I'm pretty nervous
But just in case you say 'yes'

I had to ask,
If you already had dinner plans
I know you probably have a man
But if you happen to be unattached

I'd sing your name over the airwaves
Crash your couch and sleep on the stairway
If not tonight, maybe tomorrow
'Cause I'm hung up, I'm shook up, I'm lovestruck
I'd wait all day just for a maybe
I'm trying to find a way to be worthy
If not tonight, maybe tomorrow
'Cause I'm hung up, I'm shook up, I'm lovestruck

(I'm lovestruck, I'm lovestruck)

It might seem strange
You don't even know my name
But I've been watching you for days
Sitting in the same corner table of the same cafe

I heard 'Wonderwall' bleeding through your headphones
Cracked a little smile when you got the words wrong
Excuse me Miss,
I thought that you should know this

I'd sing your name over the airwaves
Crash your couch and sleep on the stairway
If not tonight, maybe tomorrow
'Cause I'm hung up, I'm shook up, I'm lovestruck
I'd wait all day just for a maybe
I'm trying to find a way to be worthy
If not tonight, maybe tomorrow
'Cause I'm hung up, I'm shook up, I'm lovestruck

I'd lay flowers at your feet, oh oh oh oh
I'd be everything you need, woah oh oh oh

You, I'm lovestruck
You, I'm lovestruck
I'm lovestruck

I'd sing your name over the airwaves
Crash your couch and sleep on the stairway
If not tonight, maybe tomorrow
'Cause I'm hung up, I'm shook up, I'm lovestruck
I'd wait all day just for a maybe
I'm trying to find a way to be worthy
If not tonight, maybe tomorrow
'Cause I'm hung up, I'm shook up, I'm lovestruck

You, I'm lovestruck

You, I'm lovestruck
I'm lovestruck
I'm lovestruck
