

## Airstream

## The Vandals

driving in our airstream  
we're a band on the road  
with equipment, roadies, a manager  
we've got a heavy load

airstream! airstream! airstream!  
get out of my lane!  
airstream! airstream! airstream!

on our way to your town  
cause you've never seen us play  
with our airstream's aerodynamic design  
we should be there any day

airstream! airstream! airstream!  
get out of my lane!  
airstream! airstream! airstream!

airstream is so shinny  
and it's made out of aluminum  
you can't tell if it's a '64  
or an '81

I know that it's American made  
So my chest just swells with pride  
Then I grab that stainless steel handle  
And I pull myself inside

double insulation  
diamond tuck n roll  
toilet, shower, refrigerator  
we're completely self contained

airstream! airstream! airstream!  
get out of my lane!  
airstream! airstream! airstream!

airstream is so beautiful  
we can hardly keep the foxes out  
when we round that final corner  
we can hear them shout  
airstream!
