## Airstream

## **The Vandals**

driving in our airstream
we're a band on the road
with equipment, roadies, a manager
we've got a heavy load

airstream! airstream! airstream!
get out of my lane!
airstream! airstream! airstream!

on our way to your town cause you've never seen us play with our airstream's aerodynamic design we should be there any day

airstream! airstream! airstream! get out of my lane! airstream! airstream! airstream!

airstream is so shinny and it's made out of aluminum you can't tell if it's a '64 or an '81

I know that it's American made So my chest just swells with pride Then I grab that stainless steel handle And I pull myself inside

double insulation
diamond tuck n roll
toilet, shower, refrigerator
we're completely self contained

airstream! airstream! airstream! get out of my lane! airstream! airstream! airstream!

airstream is so beautiful we can hardly keep the foxes out when we round that final corner we can hear them shout airstream!
