

# And Now We Dance

The Vandals

Drowning in this toilet  
Of shit they call life  
Work like hell at Taco Bell  
For \$4.25 an hour  
No one gives a squirt of piss  
If you fucking die  
So seize the day by the balls,  
And squeeze until  
It's on it's knees  
And now we dance  
Like soldiers  
On the battlefield  
The only triumph  
In a moment of glory  
Crack your head open  
And sue somebody  
Cop a feel on  
A punk rock girl  
In bondage pants  
And Now We Dance  
You are just a speck  
In a universe of turds  
Silenced by conspirators,  
Not another word.  
With ozone trees depleted,  
You choke on malathion.  
Nothing fucking matters,  
So what's the use in tryin'?  
And now we dance  
Like warriors  
On the victory trail  
Only triumph  
In a moment of glory  
Crack your head open  
And sue somebody  
Come on and do push ups  
Just like Jack Pallance  
And Now We Dance  
Never join the ranks  
Of the kiss ass suit and tie  
Or the stinking hippie,  
The future is worth a lie,  
Nothing's worth a fuck,  
A fuck ain't worth a shit  
We're only gonna die,  
Here's how we deal with it  
And Now We Dance  
Like warriors  
On the battlefield  
Only triumph  
In a moment of glory  
Crack your head open  
And sue somebody  
Cop a feel  
On a punk rock girl  
In bondage pants  
And Now We Dance

We dance like warriors  
On the battlefield  
Only triumph  
In a moment of glory  
Crack your head open  
And sue somebody  
Come on and do  
One handed push ups  
Like Jack Pallance  
And Now We Dance
