

## I'm a Fly

## The Vandals

Help me! Help me!  
I'm a fly! I'm a fly!  
Help me! Help me!  
I wanna die! I wanna Die!

Cause this world is the shit I land on  
it's got nothing to give  
This world is the shit I land on  
I don't wanna live

I don't wanna live  
I don't wanna live
