

## Live Fast, Diarrhea

The Vandals

Intoxicated - the way I go through life  
Inebriated - and then I pay the price  
Designated drinker with a defected driver  
I can't find my keys must have left them inside her  
Eating Taco Bell and now I'm drinking gin and tonic  
I think there's an answer but I can't put my finger on it  
Mom please come pick me up I don't know where I am  
It's the last think I'll ask  
I just wanna live fast, diarrhea  
Live fast! Diarrhea! (3x)  
Punk is what it is - until you're getting paid  
This is how I live, it's not a fucking phase  
They don't understand, they think they're fucking rad  
we should kill those guys, this is bullshit man  
I followed Marshall Silver and I bootlegged Hooked on Phonics  
I think there's an answer but I can't put my finger on it  
Mom please come pick me up I don't know where I am  
It's the last thing I'll ask  
I just wanna live fast, diarrhea Live  
fast! Diarrhea! (3x)
