

## Master Race (In Outer Space)

The Vandals

one two three four  
master race in outer space  
they had to leave this earthly place  
all the allies and the Russians too

this nazi shit don't do  
this nazi shit don't do  
this nazi shit don't do  
so we launch them to the moon

the secret moon base was nearly complete  
so we put the plan in motion for the space age feat  
Germany was about to fall  
they loaded up the rockets and launched them all

this nazi shit don't do  
this nazi shit don't do  
this nazi shit don't do  
so we launched them to the moon

master race in outer space  
they had to leave this earthly place  
all the allies and the Russians too

this nazi shit don't do  
this nazi shit don't do  
this nazi shit don't do  
so we launched them to the moon

one small step for man  
one goose step for mankind (sieg heil baby)  
one small step for man  
one goose step for mankind (sieg heil baby)

this nazi shit don't do  
this nazi shit don't do  
this nazi shit don't do  
so we launched them to the moon

master race in outer space
