The Vandals

Hello, no one can get to the phone right now so I'm so sorry I
missed your call
I'll see you on Sunday
Good-bye, I love you.
But,
if this is you,
you can suck my tick!
if it's my boss,
fudge you! I quit!
Anyone else,
you can do the same
don't leave a message,
unless you're viking lame!
