

## You're Not the Boss of Me (Kick It)

The Vandals

I don't need much attention anymore  
Sometimes I cringe at the thought of the things that I did before  
And I don't wanna take up all your time  
Sometimes I cringe at the thought of being left behind  
She said "You're not the boss of me"  
And I don't wanna be  
Just some guy trying to be something that I'm not  
[Chorus:]  
Do you wanna kick it, wit me?  
I wanna kick it with you  
Do you wanna kick it, wit me?  
I wanna kick it with you  
Everyone has something for you now  
And I know, well I hope that I one be one of the crowd  
If you feel that I am out of line  
Well I hope that you don't, but I won't wait in line  
I have learned not to offer much advice  
Who am I? Just a guy, like I know how to run your life  
Well I guess I'll tell you who I am  
I'm a man with a plan make you say goddamn  
She said "You're not the boss of me"  
And I don't wanna be  
Just some guy trying to be something that I'm not  
[Chorus x2]  
And everybody's got something new to offer you  
And all the wonderful things that they can do  
I keep it simple- I just wanna kick it wit you
