## You're Not the Boss of Me (Kick It)

## The Vandals

I don't need much attention anymore Sometimes I cringe at the thought of the things that I did befo And I don't wanna take up all your time Sometimes I cringe at the thought of being left behind She said "You're not the boss of me" And I don't wanna be Just some guy trying to be something that I'm not [Chorus:] Do you wanna kick it, wit me? I wanna kick it with you Do you wanna kick it, wit me? I wanna kick it with you Everyone has something for you now And I know, well I hope that I one be one of the crowd If you feel that I am out of line Well I hope that you don't, but I won't wait in line I have learned not to offer much advice Who am I? Just a guy, like I know how to run your life Well I guess I'll tell you who I am I'm a man with a plan make you say goddamn She said "You're not the boss of me" And I don't wanna be Just some guy trying to be something that I'm not [Chorus x2] And everybody's got something new to offer you And all the wonderful things that they can do I keep it simple- I just wanna kick it wit you
