

## Don't Conform

The Varukers

It's up to us if we dye our hair.  
It's up to us what clothes we wear.  
We're suppose to live in a democracy.  
Well then listen it's up to me.

Don't conform  
Don't conform

We don't wanna be like you.  
I don't wanna look like you.  
We're suppose to live in a democracy.  
Well then listen it's up to me
