

Fake

The Varukers

Promise lots, they were broken
Insipid tactics lies spoken
Made us think you really cared
Feed on money which isn't spared

Fake!

Still you try to reiterate fools
Still can't hear, can't change your fate
Out country with a ruined future
If you take part in being a ruler

Fake!

Promise lots, they were broken
Insipid tactics lies spoken
Made us think you really cared
Feed on money which isn't spared

Fake!

Still you try to reiterate fools
Still can't hear, can't change your fate
Out country with a ruined future
If you take part in being a ruler
