

## Fake

## The Varukers

Promise lots, they were broken  
Insipid tactics lies spoken  
Made us think you really cared  
Feed on money which isn't spared

Fake!

Still you try to reiterate fools  
Still can't hear, can't change your fate  
Out country with a ruined future  
If you take part in being a ruler

Fake!

Promise lots, they were broken  
Insipid tactics lies spoken  
Made us think you really cared  
Feed on money which isn't spared

Fake!

Still you try to reiterate fools  
Still can't hear, can't change your fate
