# **Fake**

## The Varukers

Promise lots, they were broken
Insipid tactics lies spoken
Made us think you really cared
Feed on money which isn't spared

## Fake!

Still you try to reiterate fools
Still can't hear, can't change your fate
Out country with a ruined future
If you take part in being a ruler

#### Fake!

Promise lots, they were broken
Insipid tactics lies spoken
Made us think you really cared
Feed on money which isn't spared
