

Murder

The Varukers

Shot down in churches, shops and bars
Fighting for peace with bobby trapped cars

No matter what they say
It's still fucking murder

You pull the trigger, blood on your hands
Brother kills brother and man kills man

No matter what they say
It's still fucking murder

Shot down in churches, shops and bars
Fighting for peace with bobby trapped cars

No matter what they say
It's still fucking murder

You pull the trigger, blood on your hands
Brother kills brother and man kills man

No matter what they say
It's still fucking murder

No matter what they say
It's still fucking murder
