Oh, yes your in the army  
And a place for you to hide,  
Oh, yes your in the army  
Other girls for you to guide,  
Soldier boy your a vampire  
Sucking other peoples blood,  
Soldier boy your own believers  
And your face is covered in mud,

Soldier boy, soldier boy  
Your in the army now,  
Soldier boy, soldier boy  
Your in the army now,

Oh, yes your in the army  
Other girls for you to guide,  
Oh, yes your in the army  
Another missile for you to find,  
Soldier boy your a vampire  
Sucking other peoples blood,  
Soldier boy your own believers  
And your face is covered in mud,

Soldier boy, soldier boy  
Your in the army now,  
Soldier boy, soldier boy  
Your in the army now,

And a place for you to hide
