

United We Stand

The Varukers

We gotta stand together,
Gotta unite and fight!
We've gotta stand together,
Stand for what is right!

United we stand!
Divided we fall!

We've gotta fight together,
Stand up for what is right!
We've gotta stand together,
Fight, fight, fight, fight!!!

We've gotta stand together,
We've gotta unite and fight!
We've gotta stand together,
Stand up for what is right!
