After Hours

The Velvet Underground

```
One, two, three
1.If you'd close  the  door
The  night could last for ever, Leave the sun shine out          A
nd say hello to never.
All the people are dancing    And they're having such fun
I wished it could happen to me
But if you Close the door

I'd never have to see the day again (GAmiHmi)
2.If you Cclose the door
The night could last for ever
Leave the wine glass out
And drink a toust to never
Oh, someday, I know,                        2/2
Someone will look in to my eyes
And say hello, you're my very special one
But if you close the door
I'd never have to see the day again

R.:Dark party-bars, shiney cadillac cars
And the people, on subways and trains

Looking grey in the rain
As they stand disarrayed
All the people look well in the dark ....
4.And, if you'd close  the door
The night could last for ever,
Leave the sun shine out
And say hello to never.
All the people are dancing
And having such fun
I wish it would happen to me ...
-Because if you close the door

I'd never have to see the again  :I 3x
