

Beginning To See The Light

The Velvet Underground

Well, I'm beginning to see the light
Well, I'm beginning to see the light
Some people work very hard
but still they never get it right
Well, I'm beginning to see the light
want to tell all you people now
Now, now, baby, I'm beginning to see the light
Hey, now, baby, I'm beginning to see the light
Wine in the morning
and some breakfast at night
Well, I'm beginning to see the light

Here we go again
playing the fool again
Here we go again
acting hard again, all right

Well, I'm beginning to see the light
I want to tell you all, ooohhh
Hey, now baby, I'm beginning to see the light
here it comes a little softer, now
I wore my teeth in my hands
so that I could mess up the hair of the night
Hey, I'm beginning to see the light
Now, now, now, now, now, now, now, baby
I'm beginning to see the light, now, it's coming softer
Hey, now, baby, I'm beginning to see the light
I met myself in a dream
I just wanna tell you everything was all right
Hey now, baby, I'm beginning to see the light

Here comes two of you
which one will you choose
One is black and one is blue
don't know just what to do, all right

Well, I'm beginning to see the light
oh, no, here she comes, ooohhh
Yeah, yeah, baby, I'm beginning to see the light, ooohhh
Some people work very hard
but still they never get it right
Well, I'm beginning to see the light
it's getting a little softer in the end now
Now, now, baby, I'm beginning to see the light
oh, it's coming round now
Hey, now, now, now, baby, I'm beginning to see the light
one more time
There problems in these times
but ooohh, none of them are mine
Oh, babe I'm beginning to see the light

Here we go again
I thought that you were my friend

Here we go again
I thought that you were my friend

How does it feel to be loooveed
How does it feel to be loooveed
How does it feel to be loooveed, oh
