

# Cool It Down

The Velvet Underground

Somebody took the papers  
and somebody's got the key  
And somebody's nailed the door shut  
and says, hey, what you think that you see

But me I'm down around the corner  
you know, I'm looking for Miss Linda Lee  
Because she's got the power to love me by the hour  
gives me double you L-O-V-E, oh

Hey, baby, if you want it so fast  
don't you know, it ain't gonna last  
Of course, you know it makes no difference to me

Somebody's got the time time  
somebody's got the right  
All of the other people  
trying to use up the night

But now, me, I'm out on the corner  
you know, I'm looking for Miss Linda Lee  
Because she's got the power to love me by the hour  
gives me double you L-O-V-E, ooohhh

Hey, if you want it so fast  
but don't you know, honey, you can't get it so fast  
But of course, you know, it makes no difference to me

Oh, oh, you better cool it down  
you know, you better cool it down  
You know, you better cool it down  
you know, you better cool, cool it down

Oh, oh, oh, hey, if you want it so fast  
now, lookee, look, baby, don't you want it to last  
But of course, you know that, hey, it makes no difference to me  
Oh, oh, oh, you better cool it down  
now, baby, you better cool it down  
Don't you know, you better cool it down  
you know, you better cool it down  
You better cool it down  
oh, baby, cool it down  
You better, you better ...
