Foggy Notion

The Velvet Underground

She's over by the corner Got her hands by her sides They hit her harder harder harder Till they thought she might die

Well I got a foggy notion, do it again Over by the corner, do it again I got my calomine lotion baby, do it again I got a foggy notion, do it again

She made me do something that I never did before
I rushed right down to a flower store
I bought her a boundle a beautiful batch
Dont't you know something, she sent 'em right back
