I Can't Stand It

The Velvet Underground

Before being a man Livin' in a garbage pail My landlady call me up She tried to hit me with a mop

I can't stand it anymore more
I can't stand it anymore more
I can't stand it anymore more
But if Shelly she would just come back
It'll be allright
But if Shelly she would just come back
It'll be allright

I live with thirteen dead cats A purple who hear spats They're all livin in a hall And I can't stand it anymore

I can't stand it anymore more
I can't stand it anymore more
I can't stand it anymore more
But if Shelly she would just come back
It'll be allright
But if Shelly she would just come back
It'll be allright

Before being a man Livin' in a garbage pail My landlady call me up She tried to hit me with a mop

I can't stand it anymore more
I can't stand it anymore more
I can't stand it anymore more
But if Shelly she would just come back
It'll be allright
But if Shelly she would just come back
It'll be allright
Be allright, be allright....
