

# I Found a Reason

The Velvet Underground

Pa papa papa papa  
Pa papa papa papa  
Pa papa papa papa  
Pa papa papa papa

I found a reason to keep living  
Oh and the reason, dear, is you  
I found a reason to keep singing  
Oh and the reason, dear, is you

Oh I do believe  
If you don't like things you live  
For some place you never gone before

Pa papa papa papa  
Pa papa papa papa  
Pa papa papa papa  
Pa papa papa papa

Honey, I found a reason to keep living  
And you know the reason, dear it's you  
And I've walked down life's lonely highways  
Hand in hand with myself  
And I realized how many paths have crossed between us

Oh I do believe  
You're all what you perceive  
What come is better that what came before

Oh I do believe  
You're all what you perceive  
What come is better that what came before

Pa papa papa papa  
Pa papa papa papa  
Pa papa papa papa  
Pa papa papa papa  
And you'd better come, come come, come to me  
Come come, come to me
