

# I Heard Her Call My Name

The Velvet Underground

Here she comes now, now  
Gone, gone, gone  
Ready, ready, ready, ready, ready  
Got my eyes wide open

Ever since I was on cripples Monday  
Got my eyeballs on my knees, Aww my baby walkin'  
After hours with Mad Mary Williams  
Said she never understood a word from me, because...

I know that she cares about me  
I heard her call my name  
And I know that she's long dead and gone  
Still she ain't the same  
When I wake up in the morning mama  
I heard her call my name  
I know that she's gone, gone, gone  
I heard her call my name  
And then my mind split open...
