I'm Sticking with You

The Velvet Underground

I'm sticking with you 'Cos I'm made out of glue Anything that you might do I'm gonna do too

You held up a stagecoach in the rain And I'm doing the same So you're hanging from a tree And I made believe it was me

I'm sticking with you 'Cos I'm made out of glue Anything that you might do I'm gonna do too

There're people going into the stratosphere Soldiers fighting with the Cong But with you by my side I can do anything When we swing, babe, we hang past right and wrong

I'll do anything for you Anything you want me too I'll do anything for you Oohoh I'm sticking with you Oohoh I'm sticking with you Oohoh I'm sticking with you
