```
Here I go again
just gonna play it like a fool again
Here I go again
over you
Over you
I'm just like a bell again
you know, I'm starting to ring again
Here I go again
over you
Over you
Typically, when I had it
treated it like dirt
Now, naturally, when I don't have it
I am chasing less and less rainbows
Here we go again
I guess, I'm like a fool again
Here I go again
over you
Over you
over you
```

Over you
