Do I gotta spell it out for you
I can see that you got other plans for tonight
But I don't really care

Size me up you know I beat the best
Tick tock on time to rest
Let them say what their gonna say
But tonight I just don't really care

R:

Come on baby we aint gonna live forever
Let me show you all the things that we could do
You know I wanna be together
And I wanna spend the night with you
With you Yeah Yeah With you Yeah Yeah

VERSE:

Come on baby just make your move
Follow me lets leave it all behind tonight
Like me just don't care

Let me take you on the ride of your life
