Everything I'm Not

The Veronicas

Oh no, don't go changing
That's what you told me from the start
Thought you were something different
That's when it all just fell apart

Like you're so perfect
And I can't measure up
Well, I'm not perfect
Just all messed up

I was losing myself to somebody else
But now I see
And I don't wanna pretend
So this is the end of you and me

'Cause the girl that you want
She was tearing us apart
'Cause she's everything
Everything, I'm not

It's not like I need somebody
Telling me where I should go at night
Don't worry, you'll find somebody
Someone to tell how to live their life

'Cause you're so perfect
And no one measures up
Yeah, all by yourself
You're all messed up

And I was losing myself to somebody else
But now I see
I don't wanna pretend
So this is the end of you and me

'Cause the girl that you want
She was tearing us apart
'Cause she's everything
Everything, I'm not

Now wait a minute because of you
I never knew all the things that I had
Hey don't you get it
I'm not going anywhere with you tonight 'cause this is my life

I was losing myself to somebody else
But now I see
I don't wanna pretend
So this is the end of you and me

'Cause the girl that you want
She was tearing us apart
'Cause she's everything
Everything, I'm not

But now I see
I don't wanna pretend

So this is the end of you and me

'Cause the girl that you want
She was tearing us apart
'Cause she's everything
Everything, I'm not

So this is the end of you and me

'Cause the girl that you want
She was tearing us apart
'Cause she's everything
Everything, I'm not
