

Hollywood

The Veronicas

Things are so different here
All truths seem to disappear
And who you were
Doesn't matter

My point is a better view
Make me look beautiful
And every face
Same old story

In Hollywood
Hollywood
Every sunrise, you get so close
Every sunset, an overdose
No one cares
But everybody knows

Asking someone else's fate
Live off of the family name
Who you are
Is all that matters

I'ts so hard being young today
Dior ads and pink cocaine
You go far
For doing nothing

In Hollywood
Hollywood
Every sunrise, you get so close
Every sunset, an overdose
No one cares
But everybody knows

Everybody wants to be someone
Everybody wants to be someone else
And if you're down
They'll hand you a shotgun
Just get me out, get me out

Of Hollywood
Hollywood
Every sunrise, you get so close
Every sunset, an overdose
No one cares
But everybody knows

Get me out
Get me out
Get me out
Get me out
Get me out
