

Leave Me Alone

The Veronicas

I'm getting tired of you pushing me 'round
Dragging me down
Making a sound because you wanna
I guess that's why I like messing with you
Putting you through
A lesson or two, because I'm gonna
A lesson or two because I'mi gonna
Before I go my own way, I just gotta say

Chorus:

Leave me alone
Get out of my face
I'm tired in love
Feeling so misplaced
Time for you to go
You still know I'm better off on my own, oh
Leave me alone
This isn't gonna work
Don't call me on the phone
Because I'm all out of words
I'll face the unknown
Thinking about all the ways that I've grown
Oh, Leave Me Alone
Leave me alone
Leave me alone

There was the time I thought you were the one
Having some fun
Getting it done
What an illusion
'Cause you were trying to take control of me
That couldn't be, I need to be free of this confusion
Don't give me a guilt trip, cause I'm so over it

Chorus:

Leave me alone
Get out of my face
I'm tired in love
Feeling so misplaced
Time for you to go
You still know I'm better off on my own, oh
Leave me alone
This isn't gonna work
Don't call me on the phone
Because I'm all out of words
I'll face the unknown
Thinking about all the ways that I've grown
Oh, Leave Me Alone
Leave me alone
Leave me alone

Don't turn around and don't look back
I see right through all your selfless acts

Chorus:

Leave me alone
Get out of my face

I'm tired in love
Feeling so misplaced
Time for you to go
You still know I'm better off on my own, oh
Leave me alone
This isn't gonna work
Don't call me on the phone
Because I'm all out of words
I'll face the unknown
Thinking about all the ways that I've grown
Oh, Leave Me Alone
Leave me alone
Leave me alone
