

Revenge Is Sweeter (Than You Ever Were)

The Veronicas

I saw it in the news
You told me they were wrong
And I stood up for you
'Cause I believed you were the one

You had all the chances in the world
To let me know the truth
What the hell's wrong with you?

Are you even listening when I talk to you?
Do you even care what I'm going through?
Your eyes stare and they're staring right through me
You're right there but it's like you never knew me

Do you even know how much it hurt,
That you gave up on me to be with her?
Revenge is sweeter than you ever were

I'm so mad at you right now
I can't even find the words
And you're on the way down
I can't wait to see you burn
You try to make me hate that girl
When I should be hating you
What the hell's wrong with you?

Are you even listening when I talk to you?
Do you even care what I'm going through?
Your eyes stare and they're staring right through me
You're right there but it's like you never knew me

Do you even know how much it hurt,
That you gave up on me to be with her?
Revenge is sweeter than you ever were
(than you ever were)
Revenge is sweeter than you ever were

Nothing can save you now that it's over
I guess that you'll find out when you're no one
Don't say you're sorry now 'cause I just don't care

Nothing can save you now, nothing
Nothing can save you now, nothing

Are you even listening when I talk to you?
Do you even care what I'm going through?
You're eyes stare and they're staring right through me
You're right there but it's like you never knew me

Do you even know how much it hurt,
That you gave up on me to be with her?
Revenge is sweeter than you ever were
(than you ever were)
Revenge is sweeter than you ever were
