

# Sanctified

The Veronicas

Follow me to the river  
In over your head this time  
I'll take you down to the river  
Baby, just you and I (baby, just you and I)  
I push you down a little deeper  
Under the full moon sky  
I'll get you a little closer  
Just one breath from the other side  
(One breath from the other side)

Take me down to the river (I'll take you down to the river)  
In over my head this time  
Take me down to the river (I'll take you down to the river)  
You're making me lose my mind  
Take me down to the river (take me down to the river)  
Where the dirty gets sanctified

Sanctified  
I'll watch you sinking in  
There's nobody else  
Sanctified  
I'll watch you sink in  
There's nobody else  
Sanctified  
Energy confront
