

# Stay

The Veronicas

Ohh  
Oh yea

Watch you walk away  
I didn't say the words I wanted to say  
Now I'm sitting all alone  
thinkin' bout the times I had you here to hold

Giving you my reasons why  
I feel this when we say goodbye

But I won't run around after you  
And you know what you've found  
And you know I'm in love with you  
Everything changes when I see your smile  
So stay a little while.

I miss you even more today  
knowing that you're so far away  
You tell me that you'll see me soon  
But tell me just how long I have to wait for you

Giving you my reasons why  
For asking you to stay tonight

But I won't run around after you  
And you know what you've found  
And you know I'm in love with you  
Everything changes when I see your smile  
So stay a little while.

And I won't run around after you  
And you know what you've found  
And you know I'm in love with you  
Everything changes when I see your smile  
So stay a little while.  
Stay a little while.
