

Don't Say It's Over

The Verve Pipe

Fall to the floor
Facedown and cry, you're hearing your favorite song
But I cannot hide
or promise that I won't ever again let you down

Don't say it's over
Don't say it's over
We can decide some other time
Don't say it's over
Don't say it's over
We can decide some other time

Knock at the door
You can't take anymore, you're borrowing patience again
Open your eyes
You say this is the last time, and then let me in

Don't say it's over
Don't say it's over
We can decide some other time
Don't say it's over
Don't say it's over
We can decide some other time

Though I've tried a million times to find a way to stop it
I can't find the strength this time to walk it like I talk it

Don't say it's over
Don't say it's over
We can decide some other time
Don't say it's over
Don't say it's over
We can decide some other time
Don't say it's over
Don't say it's over
Don't say it's over
Don't say it's over
