

Ominous Man

The Verve Pipe

I should be half a mile from here

I will go anywhere she goes
shoulder the bags of a previous lover
I will go anywhere she goes
sleep on the pillow that reeks
of another

A will of mine to be impressive
I'm an amorous man

I will go anywhere she goes
travel whenever, whatever the distance

The court deemed me to be offensive
I'm an ominous man

Once love is unanimous
no order demands

I should be half a mile from here

The court deemed me to be obsessive
I'm the ominous man
jury reject the alibi's seemingly water-
tight
for the ominous man

I am the ominous man
