

# Amphetamine Blue

The Vibrators

My whole world's turned amphetamine blue,  
Now I'm livin' without you.  
My whole world's turned amphetamine blue,  
An' I don't know what I'm gonna do.

Well she up an' left me just the other day,  
I thought that she was foolin' an' wouldn't go away.  
We had our ups an' downs baby I know,  
Promise never to argue if you won't go.

Well I can't face my room alone tonight,  
I'd rather walk the city 'til broad daylight.  
She was the best girl I had for sure,  
Couldn't believe she'd go out through that door.

If you're desperate sure any girl'll do,  
But she was someone I could talk to.  
I never really appreciated what she'd done.  
But she was the one I set my heart on.  
(Yeah)

An' I don't think I'm gonna come through.
