

## Bad Time

The Vibrators

1. Well I've been havin' a bad time,  
Since I was twenty-two.  
I never had a chance in life,  
Used to get trodden on in school.  
Well now things are different,  
Ain't it funny how things can change,  
I've been havin' a good time,  
Since I've become derranged.  
(Gonna give you a)  
R: Bad time honey,  
Treat you any way I choose.  
Bad time honey,  
To make up for those days at school.

2. Well I've been having a bad time,  
Since you found out how to be cruel.  
I never had a chance at all,  
Since I've been hangin' round with you.  
But now things are different,  
Ain't it funny how thing it can change,  
I've been having a good time,  
Since I've become derranged.  
(Gonna give you a)
