

## DNA Robot

### The Vibrators

Sorry if you think I'm coming on to you  
It's just the DNA robot breaking through  
Yeah, look at time and the mess I got  
I can't help it, I'm just a DNA robot

It's just the DNA  
It makes me act this way  
I'm a DNA robot just like you  
You gotta laugh at what it puts us through

C'mon  
DNA robot (4x)

He's a rocket scientist  
And sure knows at thing or two  
But one drink and if you're a pretty girl  
He'll be all over you

See the switch go in his brain  
To the DNA it's a serious game  
Gotta replicate is all  
That's what the DNA wants you for

C'mon  
DNA robot (4x)

DNA robot (4x)

The way you act is making me ill  
It's like you ain't got no free will  
C'mon  
DNA robot (4x)

C'mon girlie, you gotta fight  
The DNA robot tonight  
C'mon  
DNA robot (8x)
