

DNA Robot

The Vibrators

Sorry if you think I'm coming on to you
It's just the DNA robot breaking through
Yeah, look at time and the mess I got
I can't help it, I'm just a DNA robot

It's just the DNA
It makes me act this way
I'm a DNA robot just like you
You gotta laugh at what it puts us through

C'mon
DNA robot (4x)

He's a rocket scientist
And sure knows at thing or two
But one drink and if you're a pretty girl
He'll be all over you

See the switch go in his brain
To the DNA it's a serious game
Gotta replicate is all
That's what the DNA wants you for

C'mon
DNA robot (4x)

DNA robot (4x)

The way you act is making me ill
It's like you ain't got no free will
C'mon
DNA robot (4x)

C'mon girlie, you gotta fight
The DNA robot tonight
C'mon
DNA robot (8x)
