

Nazi Baby

The Vibrators

Well I been looking for a little girl
Well, I've been searching all around the world
And when I've found her I'm gonna hold her tight
I said I'm gonna be your man
Oh baby, gonna make you feel alright, alright
Alright

Well, I've been hussling all over your town
I've been looking for a little lady who wants to get down
And when I find her I'm gonna hold her tight
I said I'm gonna be your man
Please baby, gonna make you feel alright, alright
Alright
