

## Nazi Baby

The Vibrators

Well I been looking for a little girl  
Well, I've been searching all around the world  
And when I've found her I'm gonna hold her tight  
I said I'm gonna be your man  
Oh baby, gonna make you feel alright, alright  
Alright

Well, I've been hussling all over your town  
I've been looking for a little lady who wants to get down  
And when I find her I'm gonna hold her tight  
I said I'm gonna be your man  
Please baby, gonna make you feel alright, alright  
Alright
