

# The Altar At Midnight

The Vibrators

Yeah, you ain't no archangel  
You ain't no voodoo doll  
So come on over here now  
We can get on very well, oh yeah

You ain't no millionaire's daughter  
You ain't no lamb being led to the slaughter  
This ain't no pirate ship  
Hey c'mon girl, get here quick, oh yeah

I really wanna see you here  
So get in a cab and come across  
We can lie on these burning sheets  
And we can pray to Jesus, oh yeah

Yeah, I love yer  
Oh yeah, I love yer  
Ah, come here doll  
Oh yeah

Now come here now, I think I love yer  
You're driving me insane, I want you here right now  
Yeah, I want you now  
I want you here  
On these burning sheets  
Oh yeah  
Pray to Jesus  
With your voodoo doll  
On the altar at midnight (2x)
