## War Zone

## **The Vibrators**

Feels like 1945,
Put your hands above your head if you wanna stay alive.
You think carrying guns is fun
I got the final solution, got the neutron bomb.
Well you broken down low-life take your hands off me,
Or I'll give you the brightest sunset that your ever gonna see.

Honey have I got a surprise for you, Stick my bayonet right through you.

Well it's a warzone baby, ooh yeah Well it's a warzone baby, ain't you glad it's for real. It's a warzone baby, ooh yeah, Well it's a warzone baby, movin' in for the kill.

I'm like an atomic reactor honey that's all, But you'd better watch out 'cos I'm going critical.

Well it's a warzone baby, ooh yeah, It's a warzone baby, alright. Well it's a warzone baby, I know what I'm talking about. Well it's a warzone baby, ooh yeah. Well it's a warzone baby, aaagh! Well it's a warzone baby, c'mon c'mon. Well it's a warzone baby, ooh yeah. Well it's a warzone baby.
